Mike Jones, for the ladies baby
Who? Mike Jones
Who? Mike Jones
Who? Mike Jones

This here for the ladies man, you know what I'm sayin'
I know I ain't balling right now but
If you stay down with me while I'm down
When I come up, I'mma prove it to you
Prove what? That I'm the type of nigga u need

I'm not a balla just dreaming of being one
If you with me while I'm broke, when I'm rich it'll be
more fun and
We can cruise I'll show you the whole world
C'mon be a grown lady instead of a little girl
'Cuz I'm all you need, I'm all you need, I think I'm all
that you need, girl

Baby girl, I know you tired of that mess, your man
giving you stress
Put that cigarete down let me put your nerves to rest
See I'm a man, not a child, with things that'll make you
smile
You was here when I was broke so I know you here for a
while

She encouraged me to keep working hard for my
dream
Even though my lights was out she stayed on my team
She helped me, stay focus to get what I need
And I told her when I blow the whole world she gon' see
She gon' be the only one that you see me with
I'm for real this girl here's legit

I ain't got a lot of dollars but she loves the dick
While at the time me and her she loves to get
I'ma be here for her like she was there for me
I looked at her and told her, 'Mike Jones the type of
nigga u need'
I looked at her and told her, 'Mike Jones the type of
nigga u need'

I'm not a balla just dreaming of being one
If you with me while I'm broke, when I'm rich it'll be
more fun and
We can cruise I'll show you the whole world
C'mon be a grown lady instead of a little girl
'Cuz I'm all you need, I'm all you need, I think I'm all
that you need, girl

I'm feeling that, I'm feeling it uh
The tone in your voice I know what you want and baby
you uh
Made the right choice 'cuz the sex is great
And your love is a pit and I'm feeling way more
qualified
Than them bustas you be dealin' with, come get a hit of
this

Mama come on and roll with me, and don't worry about
drama
Yes I keep that .4 with me, pretty much I'm down for a
one night stand
That caddy driving man wood grain all up in his hands
Come on and roll with a G, come on and smoke with a
G
And I know your Dad and your mama don't even
approve of me

But still the girl show me love 'cuz she real
The type of chick that's down with you with or without
your deal
And there's no future bigger than the one I planning for
us
You got me twisted and titled I think I'm about to bust
baby
I think I'm about to bust
'Cuz I, 'cuz I, 'cuz I told you that I'm all you need

I'm not a balla just dreaming of being one
If you with me while I'm broke, when I'm rich it'll be
more fun and
We can cruise I'll show you the whole world
C'mon be a grown lady instead of a little girl
'Cuz I'm all you need, I'm all you need, I think I'm all
that you need, girl

Before the fame and change came you were holdin'
me down
When I needed me a rise you would roll me around
She kept the sunshine and when the rain came around
And from then on I went on, I told her for being down

I'm gunna forever be around with her

'Cuz I ain't putting all this time just to leave her
She needs me and I know that I need her
Yeah Mike Jones, who? Mike Jones, Jones
And I'm the type of nigga u need

I'm not a balla just dreaming of being one
If you with me while I'm broke, when I'm rich it'll be
more fun and
We can cruise I'll show you the whole world
C'mon be a grown lady instead of a little girl
'Cuz I'm all you need, I'm all you need, I think I'm all
that you need, girl

I'm not a balla just dreaming of being one
If you with me while I'm broke, when I'm rich it'll be
more fun and
We can cruise I'll show you the whole world
C'mon be a grown lady instead of a little girl
'Cuz I'm all you need, I'm all you need, I think I'm all
that you need, girl
