One fine day, I'll settle down
When you bloody me, I ran aground
With my broken face and fisticuff
Fuck the rest and all their stuff

I don't anymore
I don't anymore

Just look and you'll see me
Lying there, lying there
Just look and you'll see me
Lying there, lying

Another way a battle ground
A ready teller whore, who makes no sound
Keep the money bitch, keep the stuff
Fly around the world and keep it up

I don't anymore
I don't anymore

Just look and you'll see me
Lying there, lying there
Just look and you'll see me
Lying there, lying

It's killing time on the streets
(All hate Sunday)
It's killing time on the streets
(All hate Sunday)

It's killing time on the streets
(All hate Sunday)
It's killing time on the streets
(All hate Sunday)

It's killing time on the streets
(All hate Sunday)
It's killing time on the streets
(All hate Sunday)

Just look and you'll see me

Lying there, lying there
Just look and you'll see me
Lying there, lying there

Just look and you'll see me
Lying there, lying there
Just look and you'll see me
Lying there, lying there

Just look and you'll
Just look and you'll
Just look and you'll
