(reed)

I'm sticking with you
'cos I'm made out of glue
Anything that you might do
I'm gonna do too

You held up a stage coach in the rain
And I'm doing the same
So you're hanging from a tree
And I made believe it was me

I'm sticking with you
'cos I'm made out of glue
Anything that you might do
I'm gonna do too

People going to the stratosphere
Soldiers fighting with the cong?

But with you by my side I can do anything
When we swing
We hang past right or wrong

I'll do anything for you
Anything you want me too
I'll do anything for you
Oohoh I'm sticking with you
Oohoh I'm sticking with you
Oohoh I'm sticking with you
