Sometimes I think I'm scared  
Sometimes I know  
I feel like making love  
Sometimes I don't  
I feel like letting go  
Maybe not  
I feel like giving up  
Is all we got

Sometimes is all the time  
And never means maybe  
Sometimes is all the time  
Maybe

And I'm moving on  
And I'm moving on (Sometimes I feel alone)  
And I'm moving on  
And I'm moving on

Sometimes I make believe  
When we're alone  
Machines have taken hold  
Can you get me to a telephone  
It's just the little things  
You used to see  
Am I still that man who makes you who you want to be

I never noticed  
How lovely were the aliens  
Lovely were the aliens  
I never noticed  
Lovely were the aliens  
Lovely were the aliens
