(reed)

What goes on in your mind?
I think that I am falling down.
What goes on in your mind?
I think that I am upside down.
Lady, be good, and do what you should,
You know it'll work alright.
Lady, be good, do what you should,
You know it'll be alright.

I'm goin' up, and I'm goin' down.
I'm gonna fly from side to side.
See the bells, up in the sky,
Somebody's cut the string in two.
Lady, be good, and do what you should,
You know it'll work alright.
Lady, be good, do what you should,
You know it'll be alright.

One minute one, one minute two.
One minute up and one minute down.
What goes on here in your mind?
I think that I am falling down.
Lady, be good, and do what you should,
You know it'll work alright.
Lady, be good, do what you should,
You know it'll be alright.
