Fascinated by the stone  
Zed Yago fell in a hole  
Through dimensions  
Without any control

She met down under  
The world from over yonder  
The greatest of all wizards  
Merlin, priest of superstition

If you need help  
Send a call up here  
Strong willpower only  
Makes Merlin appear  
A spirit force  
And fantasy  
Priest of superstition is Merlin

Merlin, druid of the Celts  
Showed her his world  
And King Arthur's table  
With the knights who were able

To guard the gates of Camelot  
No magic, whatever  
Whatever could stop  
The ruin, ruin of Camelot

If you need help  
Send a call up here  
Brave willpower only  
Makes Merlin appear  
A spirit force  
And fantasy  
The priest of superstition is Merlin

Queen and priest, witch and the beast  
Druid and dwarf, all live there, hidden and apart

If you need help  
Send a call up here  
Brave willpower only

Makes Merlin appear  
A spirit force  
And fantasy  
Priest of superstition is Merlin

If you need help  
Send a call up here  
Brave willpower only  
Makes Merlin appear  
A spirit force  
And fantasy  
Priest of superstition is Merlin
