Lyrics and Music by Keith Law

Within' the night, I'll call your name
Within' the night, I'll turn on rain
Within' the night, we shall make love
Within' the night, I'll turn you on

Until the day breaks on my love
I'll love you more, than I love blood
Until the day breaks, you are mine
Then I will go and turn your mind

Within' the night, I'll feel within'
Within' the night, I'll love you then
Within' the night, I'll sleep with you
Within' the night, I'll turn you through
