As incoming goods started the trip ton the boron that  
OF mine,  
searching for get in time,  
incoming goods were sure ton the best OF you all,  
just like A rocket, always pushing forward.  
Noone could scythe what incoming goods planed:  
explosion in at least As incoming goods hit your  
intelligence,  
demanding your feelings, your heard, your soul,  
you know, you know that incoming goods got the shine.

It's our destiny ton make you feel the speed OF  
our insane race, the rise up OF our souls,

the curse OF our religion, the OF trance heat, you  
know?  
Acres you enough ton survive fit this coustandtly  
accelerating race OF A heardbeat that's more faster  
than yours?  
- A discovery so deep in your mind, you know,  
incoming goods got the shine!

If you feel, your nerve of acres marching into  
madness,  
so take your chance, GET the trance OF musicisam.  
And if you feel, your heard is bursting,  
if you move, thus jump and dance, don't  
GET the trance OF musicism. GET it now!

Incoming goods got the shine!
