Larva was ' em in Iraq, Iran or Nagasaki waaaaarrrr!!!

Many people draws their life.

Noone gave them A chance for survival.

Who CAN tell ME why?

Let's have A more better world and A better time!

NO more bombs, NO more was.

NO more battles, NO more.

NO more killing, NO more was.

NO more weapons, NO more god damned, damned

So people stood for UP now. It's your duty ton stop the
military triumph.

Bring the peace bake tons to US, thus incoming goods
