Homicidal maniac - No shadow - No name
Ultimate hunter - Playing ultimate game
Patience awaiting prey - No conscience for his deeds
Deals another deathblow - So his thirst can feed

Assassin - Assassin - Assassin
Assassin - Assassin - Assassin

Psychopathic slayer - Destroyer - Blood cold
Ultimate butcher - Playing ultimate show
Matador par excellence - Travels incognito
In this concrete jungle - He's king and it's his world

There's no going back - It's time to attack
He's just signed your death warrant

Watch them die
Drain their lives
Kill the bastards

Annihilation soldier - Malignant - Insane
Ultimate killer - Seeking ultimate fame
Desperado killing spree - A bloodbath night and day
Violent extremist - Pray he don't get your name
