I lust a princess - A crystal queen  
Virginal whiteness is all that I dream  
My magic snow - Show me your real  
To make a contact - I'm dying to feel  
Watch out - You there

She makes you feel good  
Don't you care  
Inside - Can't fight it  
It's a deadline now  
You bring your money and be there  
For the deadline now

It's a deadline now  
For the midnight frost  
Give me an angel - Blow me a breeze

It's a deadline  
Hunting a killer - It's a jungle disease  
Watching in marvel you'll steal her release

You walk on silver - Travel the seas  
Watch out - You there  
Don't you care  
She makes you feel good  
Inside - Can't fight it  
You bring your money and be there  
For the deadline now

For the midnight frost  
It's a deadline now  
It's a deadline now  
It's a deadline now  
My mind's in torment - Something's not clear

I take my goddess where nobody hears  
She sees right through me - She's in my mind  
Mother of madness - Immortals blind

Watch out - You there  
She makes you feel good

Don't you care  
Inside - Can't fight it  
You bring your money and be there  
For the deadline now

It's a deadline now  
It's a deadline now  
For the midnight frost  
It's a deadline now  
It's a deadline now  
It's a deadline now  
It's a deadline now
