You thought we'd lost it all,
You thought we'd given up the fight!

Well now we're back to prove you wrong,
It's time to open up your eyes, Hell Yeah!

Here's one for you, you thought, it's only Rock and Roll,
We're taking everything, prepare to lose your soul!

Harder Than Ever,
Hotter than hell!
Are you with us,
Legion's, iron and steel?

You want it hard, you want it fast, you want it loud, you
got it all!
We take no prisoners, let 'em rot, we're gonna leave
them where they fall,
Hell Yeah!

We stand as one, we raise a glass to absent friends!
Bet you think you'd escaped?
Think again!!

Harder than Ever,
Hotter Than hell!
Are you with us,
Legion's, iron and steel?

Harder Than Ever,
Hotter Than Hell!
Are you with us,
Legion's, iron and steel!

We stand as one, we raise a glass to absent friends,
Bet you think you'd escaped?
Think again!!

Harder Than Ever,
Hotter than Hell!
Are you with us,

Legion's,iron and steel?

Harder Than ever,
Hotter that Hell!
Are you with us,
Legion's,iron and steel?

Harder Than Ever,
Hotter than Hell!
Are you with us,
Legion's,iron and steel?

Harder,
Hotter than Hell!
Harder Than Ever!!
