Hellbent

Seek him here seek him on the highway never knowing
when he'll appear

All await engine's ticking over hear the roar as they
sense the fear

Wheels a glint of steel and a flash of light
Screams from a streak of fire as he strikes
Hell bent hell bent for metal hell bent hell bent for
metal

Black as night faster than a shadow crimson flare from
a raging sun

An exhibition of sheer precision yet no one knows from
where he comes

Fools self destruct cannot take that crown
Dreams crash one by one to the ground
Hell bent hell bent for metal hell bent hell bent for
metal

There's many who tried to prove that they're faster
But they didn't last and they died as they tried
There's many who tried to prove that they're faster
But they didn't last and they died as they tried
Hell bent hell bent for metal hell bent hell bent for
metal

Hell bent hell bent for metal hell bent hell bent for
metal

Whoa thank you and good night
