There were times we used to share  
There were times we used to walk around  
All the joy that life would bring  
We could laugh at anything  
But now I'm all alone...  
I wonder where you are  
I wonder how you feel  
So tell me what to do  
To get back close to you  
Now I need to find a way  
Or just the word to say  
I want you here with me  
Back where we used to be...  
I walk the streets alone  
And everything I see reminds me of you  
Your precious voice is in the air  
Oh how I wish that you were here  
So I could hold you once again...  
I wonder where you are,  
I wonder how you feel  
So tell me what to do  
To get back close to you  
Now I need to find a way  
Or just the word to say  
I want you here with me  
Back where we used to be...  
You would hold me  
You never made me sad  
And you gave me feelings  
I never knew I had.. ooh...  
All the joy that life would bring  
We could laugh at anything  
But now I'm all alone...  
I wonder where you are,  
I wonder how you feel  
So tell me what to do  
To get back close to you.  
Now I need to find a way  
Or just the word to say  
I want you here with me  
Back where we used to be  
Back where we used to be...
