Look at my eyes and you will see  
Fire is burning inside of me  
Fire it burns  
Fire it burns  
Look at the children  
Look at my eyes  
Look at me Satans child  
Born of evil thus defiled  
Brought to life through Satanic birth  
Raised in Hell to live on Earth  
Come look at me and I'll show you  
Things that will open your eyes  
Come listen to me and I'll tell you  
Things that will sicken your mind  
We drink the vomit of the priests  
Make love with the dying whore  
We suck the blood of the beast  
And hold the key to deaths door  
Through many a tormented night prevail  
Thy excursions can but fail  
Though crucifix doth durn my flesh  
I shall not yield to you unless I die!  
I am possessed by all that is evil  
The death of your God I demand!  
I spit at the virgin you worship  
And sit at my lord Satan's left hand  
I care not for the priests who are crying  
I answer to Baphomet's call  
A cry for help from the dying  
Means nothing to me at all  
I am decreed by lord Satan's fine evil  
To destroy what all mortals love most  
Satan is my master incarnate  
Hail praise to my unholy host  
Look at my eyes!
