1

So I'm alone again  
Raising my clock to get home again  
And you're likeable, memorable  
All at once  
Straf to find my place  
Making my way out of this mess  
As I'm waiting, watching, time goes by  
CHORUS  
And I'm scared  
The morning paper, tell's me you're gone  
And you're there, behind the sun, and over the moon  
I'll be with you soon  
But I'm here, and you're there  
What's this space?  
Someone's in the wrong place

2

I'll wait to draw  
Watching the flipside of this coin  
Way you're miserable, controlable and changeable  
All at once  
And still I wait to run,  
Maybe this time I'll come undone  
As I'm waiting, watching, time goes by  
CHORUS  
And I'm scared  
The morning paper, tell's me you're gone  
And you're there, behind the sun, and over the moon  
I'll be with you soon  
But I'm here and you're there  
What's this space?  
I speak, but you won't hear  
I strive but you won't see  
I wait for you to shave,  
I'll miss you when you're near  
Cuz I'm here,  
The morning paper  
Tell's me that you're gone  
And you're there, behind the sun, all over the moon  
Cuz I'm scaaaaaaaaaaaaaared,  
So scaaaaaaaaaaaared  
CHORUS

And I'm scared  
The morning paper, tell's me you're gone  
And you're there, behind the sun, and over the moon  
I'll be with you soon  
But I'm here, and you're there  
What's this space?  
Someone's in the wrong place  
3  
So I'm alone again  
Raising my clock to get home again  
And you're likeable, memorable  
All at once...
