I am the evil one
The tempeter sinner man
Archfiend diabolos
Hail leviathan
Omnipotence lucifer
Asmodeus my soul
Feeding off inhuman life
Blood of liquid gold

Evil One
Flesh and bone
Evil One
Set in stone

I the royal prince of hell
Command infernal names
Lightning fills my ancient bones
Chthulu rise in flames
Dominating centuies
Consume the everlasting
Raising ahses up from earth
I satanhead rising

Evil One
Flesh and bone
Evil One
Cast In Stone

Kneel
I kneel to no man
Rejoice
I see through your cries
Believe
You know not the truth
Blasphemer
Jesus fucks you

Crucify the holy man
No sermons of a fool
UIniverse infinity
Behold evil rules

Ever pregnant mysteries
Ahmoon commands the birth
Howling incantations
I rise from blackened earth

Evil One
Flesh and bone
Evil One
Carved in stone
