You're feeling better now  
You've started reaping now  
Getting paid for overtime

It's fascinating right  
How when you smile at life  
Chances are it's smiling back

A castle on a desert sandy shore  
Living on the sunny side  
Slow but never bored

You can't win  
You can't win with your hands down  
You can't win  
You can't win with your hands down  
Cause I,  
I know that it takes now  
And I ,  
I'm taking no breaks

You don't lay down and cry  
When faith is cruel at times  
When fortune only passes by

And it'll pass alright  
More than one time in life  
Leaving you with visions of  
A castle on a desert sandy shore  
Living on the sunny side  
Soar and never wore

You can't win  
You can't win with your hands down  
You can't win  
You can't win with your hands down  
Cause I,  
I know that it takes now  
And I ,  
I'm taking no breaks

When the day is done  
When you know that you did all that you can do  
When the day is done  
You can't lay your head down

You can't win  
You can't win with your hands down  
You can't win  
You can't win with your hands down  
Cause I,  
I know that it takes now  
And I ,  
I'm taking no breaks
