Do you feel your mind take over?
Do you feel your senses smothered?
Do you feel you heart beating fast?
Do you feel the raining stars are lost?
Take a fall in your bag of mercy
Crawling out to someone save me
Take your time and watch the ending
Can ain't worthy and I'm all pretending

[Chorus 1:]

When I'm feeling like I lost my mind
(Just hurry you're runnin' out of time)
Watch when I'm feeling insecure
(Just go whatcha waitin' for?)
When I'm feeling like I lost my mind
(Just hurry you're runnin' out of time)
Watch when I'm feeling insecure
(Just go whatcha waitin for?)

[Chorus 2:]

I'll take you down
We've never gone before
(No mercy yeah)
No reason at all I swear
I'll take you down
To the ends of the world
(No mercy yeah)
When you're knockin' on this door

When you're crawlin' across the fire
He returns for his desire
Look around so he's slippin' away
Let me tell you so I get paid
I'm just runnin' through
So far till after you
So stick around I ain't worthy
I knelt on the floor and begged for mercy

[Chorus 1]

[Chorus 2]

And you beg for mercy

[Chorus 2] (x2)

Take the floor and you beg for mercy
