I Wanna Man To Bring Home To Mah Momma
Got His Game Tight And It Ain't No Drama
No Calls In The Night From The Third Baby Mama
When The Check Comes Knowin He Forgot That Wallet
Rich Man, Poor Man, Hustla Whatever
Tough Guys Tough But They Far From Clever
You Don't Gotta Be The Butler Just Have Manners
Better Put 'Em On Display Or It Ain't Gon Happen
I'm Tellin You I Gotta Have A Gentleman
Open Up The Doors and He Holds Mah Hand
I Can Have A Thug But It Ain't No Match
Cause A Thug Can't Do What A Gentleman Can

Don't Need Your Money (Don't Need That)
I Got Mine (Cause I Got That)
What I'm Askin For Won't Cost You A Dime (Save Your
Money For Another
Chick)
Can You Give Me (Can U Give It To Me Baby)
What I Like (Tryna Tell U What I Like Yeah)
Ain't No Exceptions When It Comes To My Guy

Call Me By My Name Don't Call Me Baby Girl
Who's A Girl Yo I Thought I Was Ya Lady
I Like A Man Who's Sophisticated
Read A Magazine But He Reads Me Shakespeare
Confidence Mixed With Modesty
It's A Recipe When U Wanna Step To Me
Try To Act Hard And U Won't Get far
I Need A Lot More Attention Than You Pay To Ya Car
I'm Tellin U It Ain't About Commitment
Just As Long As U Handlin Ya Business
U Ain't Gotta Be A Baller Cause I Prefer A Boss
And A Boss Knows Ladies Come First

I'm Tellin You I Gotta Have A Gentleman
Open Up The Doors And He Holds Mah Hand
I Can Have A Thug But It Ain't No Match
Cause A Thug Can't Do What A Gentleman Can
