How can ya call it a lifestyle, if ya don't live ya life in style? (x2)

They call me the walkin beauty paegant
Don't need a crown with my jewelry flashin'
10 girls behind me tryina be like me
Hella fly tile I die and there ain't no actin
I'm a connoseur and I'd like to help you
The look on ya face got ya sh** devalued
How ya gona rock donatella with a frown?
Girl this ain't a competition,
Do you wana ask the crowd?
I'm the type of girl who can make things rare;
If I wear something, it'll sell out everywhere
I rock hellz bellz with my new chanel
You rock fake nails, chanel with 2 l's
I freak black pearls, I freak rose gold
You pearls turned black when the paint got old
This is not a popularity contest
When god made me he made a new commandment!

Fly fly fly
(And he said...)
Thou shalt be fly fly fly
(Til the end...)
Until the day you die die die
I'm fly! lemme testify!
Not a habit, I'm just gifted
Lord please keep me swaggeriffic

Flyer than a 747 when I'm ridin with my london guy...
Yeah, on ya birthday you get flowers
My boyfriend gets me cazals
I go to the ivy, you got to a drivethrough
We rock the matchin crooks and castles...
