Diskotechnyj svet migayet: zelyonyj, sinij, krasnyj,
Ya vyhozhu na ohotu lyubvi i vzglyad moj opasnyj.
Devochki tancuyut, mal'chiki tancuyut, milye,
Nu rasskazhite druz'ya - "Gde rozhdayutsya takiye krasivyye?".

Ya popala, popala, popala na lyubov', na lyubov',
Na tvoi glazki-magnit, na tvoi ruchki-magnit, na tvoi gubki-magnit. - by your eyes-magnets, by your
hands-magnets, by your lips

Ya tak popala!

Tayet v tance noch', sverkaya ogniami,
My s toboj sygrayem v lyubov', v lyubov' mezhdou nami.
Ya popala v tvoi seti kak glupaya ptichka,
Ne ponimaya chto ya v zhizni tvojej - lish' tol'ko stranichka.

Vy popali, popali, popali na lyubov', na lyubov',
Na moi glazki-magnit, na moi ruchki-magnit, na moi gubki-magnit. - By my eyes-magnets, by my
hands-magnets, by my lips
Vy vse popali, popali, popali na lyubov', na lyubov',
Na moi glazki-magnit, na moi ruchki-magnit, na moi gubki-magnit. - By my eyes-magnets, by my
hands-magnets, by my lips
Na moi gubki-magnit... - by my lips

Vy popali!
You're caught up!
