You say your mama called and you must go  
She's down in the bed and needs you so  
And you don't know if you'll be coming home tonight or  
not  
Well honey ain't your mama sick a lot?

Lately your head hurts every night  
Could it be you wear your clothes too tight?  
But since you don't seem to hear a single thang I say or  
do  
Then I guess there's nothing I can do for you

This ain't my first rodeo  
This aint the first time this ol'cowboy's been throwed  
This ain't the first I've seen this dog and pony show  
This ain't my first rodeo

You're telling me you lost your wedding band  
You say somehow it slipped right off yer hand  
And when I asked about those boxes stacked there by  
the door  
You say, it's just some old things you don't wear no  
more

I didn't make it all the way through school  
But my mama didn't raise any fools  
I may not be the Einstein of our time  
But honey I'm not dumb and I'm not blind

This ain't my first rodeo  
This aint the first time this ol'cowboy's been throwed  
This ain't the first I've seen this dog and pony show  
honey  
This ain't my first rodeo

This ain't my first rodeo  
This aint the first time this ol'cowboy's been throwed
