Verse One:

You said you'd call me at 5,
But you lied so obvious.
I'm not the one on your mind,
But I won't cry.
You have me so hypnotized,
And it's crazy but every word you say I believe.
But your acting different,
So distant and quick to me.
I know if I stay, it'll just cause more pain.
But I can't let you go.

CHORUS:

And Baby, why do you have to be so amazing to me,
and I try just to walk away but your blue eyes make me
stay.
And baby you make this confusing even when I'm
loosing.
And baby why do you have to be so amazing to me.

Verse Two:

You said you hate to talk on the phone, so but baby
when I got home and we're finally alone. All wrapped
up in your arms in bed. You swore you'd be here till the
end. But it's different now and I don't know how things
got this way. You seem so far away and I know if I stay
and it'll cause more pain. But I can't let you go.

CHORUS:

And Baby, why do you have to be so amazing to me,
and I try just to walk away but your blue eyes make me
stay.
And baby you make this confusing even when I'm
loosing.
And baby why do you have to be so amazing to me.

Verse Three:

It's not like I'm holding on to someone I don't even
know anymore. Every things changed and your not the
same. Please come back through that door. Baby!

CHORUS:

And Baby, why do you have to be so amazing to me,
and I try just to walk away but your blue eyes make me
stay. And baby why can't you love me now and leave
me left out. And baby why do you have to be amazing
to me.

Baby, Baby, (Baby?)

Baby why do you have to be so amazing to me?
