Sukoshi hito yori ki no ooi boku ni kimi wa komatte  
Nantonaku tsunaida te wo tsumetaku hodoita  
Kono saki wa mou boku no kotoba dake de wa  
Kitto nanimo mou kaerarenai mama  
You're tearing me down.  
You're tearing me down.

Yagate hi ga kieatari ni wa sabishisa to kedarusa ga  
nokori  
Boku wa made tabi no tochuu da to ki ga tsuku yofuke -  
rain  
It keeps me calm, it keeps me calm.  
It keeps me walking.

'Cause I know you never gonna stay.

So long - yagate ame wa furidasu  
Sou kyou mo - hitoritori nokosarete  
So long - machi ni ame wa furidasu  
Sou kyou mo - onaji kisetsu ni hitoritori nokosarete  
You ain't gonna stay.  
You ain't gonna stay.

So long - Someday I will.  
So long - I keep walking.  
So long - Someday I will.  
So long - I keep walking.

You ain't gonna stay.  
You ain't gonna stay.  
You ain't gonna stay.
