Peace of water knocking my window.
Peace of water knocking my window.
Peace of water knocking my window,
When I'm deep inside my dream.

Playing with my mind,
When I'm deep inside my dream.
Playing with my mind.

Peace of water knocking my window.
Peace of water knocking my window,
Playing with my mind.

Peace of water knocking my window,
When I'm deep inside my dream.
Peace of water knocking my window.
Peace of water knocking my window.
