Day by day and night by night I'm sitting by the phone.
I am the famous love spy
call me when you're alone.

Love spy
love spy

He is so strong as all the world can see

He is a man
oh
as all the boys wish they could be.

Love spy
love spy

He is so strong as all the word can see

He is a man
oh
as all the boys wish they could be

Yeah
the boys wish they could be.

I quickly jump into my car and leave some dust behind

I rush through New York City
I am the daring kind.
Love spy
love spy

...

I'll keep away the gangsters
there's nothing they can do

And if you need protection I'll stay the whole night
through.
Love spy
love spy
...
Love spy

love spy
