"Consider The Sea"

Tides will rise, the time will call
Wish I never saw it fall beneath
Who we are and what we've done
It hasn't shown

Don't tell me that this is just a reason to sleep
Compare your hands to mine and we'll see who's tried
this time
And wanting nothing more than to flee these streets
[live for night]
But this is light so consider, so consider the sea

And I won't say you're useless because I
I've seen you dream and convincing the sun not to rise
Won't hide, won't hide you
And I won't say you're useless because I...
Oh these seasick dreams
Forty winks, placid and stationary

For words I lack, places I won't go in fear of never
getting back
