It's been two months since I gave up on you
Since I packed up of all the heartache
Told you we were through
'Cuz you always just took me for granted
Now I hear you got another boo
And you're doing the same thing
Over and over again
Since we're cool I'm gonna give you free advice
'Cuz I want you to be happy
Don't want you to keeping up on love
Like you did with me
So listen up
'Cuz what I'm saying is for your future reference
Here are the Do's and Dont's

DO DO DO
Apologize when you know that you are wrong
DON'T DON'T DON'T
Play it cool don't you make the girl wait too long
DO DO DO
Tell her when you've never seen her more beautiful
DON'T DON'T DON'T
Treat her bud just
'Cuz your boo is in love with you and...
DO DO DO
Call her up when you won't be home on time
DON'T DON'T DON'T
Trip out if she got a friend who's a guy
'Bout time you heard the Do's and Dont's

Now that you know what you've been doing wrong
I hope that you can fix it
And don't have a repeat performance of November
17th
Remember how you were supposed
To meet me at the italian restaurant
I waited all night for you
And there are some many other hurtful things
Yeah, I got a list a mile long
It's not that I'm still better,
It's that you need to be aware
How to treat a lady so take this for future reference

Here are the Do's and Dont's

DO DO DO

Apologize when you know that you are wrong

DON'T DON'T DON'T

Play it cool don't you make the girl wait too long

DO DO DO

Tell her when you've never seen her more beautiful

DON'T DON'T DON'T

Treat her bud just

'Cuz your boo is in love with you and...

DO DO DO

Call her up when you won't be home on time

DON'T DON'T DON'T

Trip out if she got a friend who's a guy

'Bout time you heard the Do's and Dont's

Learn from you mistakes unlike you did before

Don't act like you don't feel and keep her out the door

Remember when you'd say "you're drowning in her eyes"

Tell that truth again and feed her no more lies

Hit her on her two, when won't be coming home

Don't misunderstand if her ex is on the phone

Contain your jealousy unlike you did with me

You're not learning on your own

So here's the Do's and Dont's
