Confidentially, it's kind of hard for me to see  
Why people seem to think I'm some kind of stranger.  
You know I wouldn't lie, but just between you and I  
I'm not a foreign spy, you're not in any danger.

I'm just a full tilt frog, stranger in a new land, yes I am.  
I'm just a full tilt frog, stranger in a new land, yes I am.

Talking with my hands, you'd never guess I came from  
France  
And given half a chance I'm just as good as you, it  
drives a girl insane  
When they mispronounce my name, but I love you  
Just the same, no matter what you do.

I'm just a full tilt frog, stranger in a new land, yes I am.

When I'm home, all I ever see is changes all around.  
When I'm home, it always seems so strange  
Living in a big hotel, in a place I knew so well  
Feeling like a tourist in my own home town.

I'm just a full tilt frog, stranger in a new land, yes I am.  
I'm just a full tilt frog, stranger in a new land, yes I am.

Here I am, so give me a helping hand.  
Here I am, doing the best I can, yes I am.

I'm just a full tilt frog, stranger in a new land, yes I am.  
I'm just a full tilt frog, stranger in a new land, yes I am.
