Sleep, smile for the dream  
Another fantasy to sing girl  
Take me  
Sway, love in the breeze  
Feel the rhythm of the trees girl  
Take me

Oh God I'm asleep!  
Oh God lets dream  
Sleep now!

Love, the poetic dream  
Where you don't have to think girl  
Take me  
Sway, or just float away  
This ship of dreams we sail oh,  
Take me

Oh God I'm asleep!  
Oh God let's dream  
Sleep now!

I'm losing it, I'm losing it!  
It's just beyond my grasp  
It's just beyond my reach  
Slipping and slipping away

Pull my face off the floor  
Wash the blood from my chin  
Wipe the tears from my eyes  
This wasn't meant to be easy

I'd run forever to you  
Just to stare inside your eyes  
'Cause I need what you've got  
And I'll be what you want  
So let's take this dream and make it real

Oh, and in this moment time stops  
Oh, my eyes are closed and you're here  
Oh, just let my arms surround you  
Your hands will hold my heart forever
