I held your picture in my hand
Saying it's okay
And who's to tell me that it's not
I'm sure I'll never understand
What made you feel that way
But I won't stop from trying

Go on, Ohhh
Someday we'll meet again
'Cause I'd be lying if I said
That I'll be just fine without you

And what I'd do over again
To see your fragile face
And try to make you comprehend
But now you've left and it's too late
And all I feel is blame
It's too unreal to think you're gone

Go on, Ohhh
Someday we'll meet again
'Cause I'd be lying if I said
That I'll be just fine without you

Don't explain
It's too insane for words
How this feels
Now crashing down

All I gave still wasn't enough
Strength to save you
And it kills now
Watching you drown

Slipping down the rope
Descending to your sorry end
To see you let this go
Something so beautiful
Letting go of hope
Witnessing your sorry end
Surrendering your soul
Something so beautiful
