Oh, tragedy has taken so many
Love, lost cause. They all forgot who You were.
And it scares me to think that I would choose
My life over You
Oh, my selfish heart divides me from You
It tears us apart

So tell me what is our ending?
Will it be beautiful, so beautiful?

Oh, why do I let myself let go
Of Hands that painted the stars
And hold tears that fall?
And the pride of my heart makes me forget
It's not me but You, that makes the heart beat
I'm lost without You, Your dying for me

So tell me what is our ending?
Will it be beautiful, so beautiful?
Will my life find me by Your side?
Your love is beautiful
So beautiful

At the end of it all
I wanna be in Your arms
At the end of it all
I wanna be in Your arms
At the end of it all
I wanna be in Your arms
At the end of it all
I wanna be in Your arms

So tell me what is our ending?
Will it be beautiful, so beautiful?
Will my life find me by Your side?
'Cause Your love is beautiful
So beautiful
