Mirror, Mirror on the wall; Have I got it?  
'Cause Mirror you've always told me who I am  
I'm finding It's not easy to be perfect  
So sorry, you won't define me  
Sorry, you don't own me

Chorus

Who are you to tell me  
that I'm less than what I should be?  
Who are you? Who are you?  
I don't need to listen  
to the list of things I should do  
I won't try; I won't try  
You don't define me; You don't define me

Mirror I am seeing a new reflection  
I'm looking into the eyes of He who made me  
To Him I have beauty beyond compare  
I know He defines me

Chorus
