Paintin' pictures on the wall
Tellin' of God the creator of all
Someone took our paints away
They can't stand truth in the raw
(C)
Christian bigot tellin' Catholic boy that he's goin' to hell
Never learnin' nor discernin' that he's saved too
He can trust Jesus, and have a different name (than
you)
Investigation comin' in. Be above reproach, don't be a
jerk
Tell them the truth, not your ideas
You distorted mirror. You (they) think you reflect?
(C)
Distorted mirrors are everywhere no wonder they don't
understand
Disorted mouth spewin' jargon, you preach of the
sun(son) just to-
Get a tan
(C)
Naked man, naked, naked, naked man
Distorted naked man, you look fat but your really flat
He sees, and they see, they see, they see, they see,
they see you.-
You distortin' naked man!
(C)-> We stand nude in front of God. He knows (IT
SHOWS) we know it too
So are you missin' somethin'? clothe your naked life
with his-
Righteousness
You need him bad, so don't go runnin' away. You're just
showin' the
World yourself!
