Saw an old friend on the street
She said today's your wedding
My heart stopped, my ears dropped
Saw my whole life pass me by
I had to see you baby
I never ran so fast before
I rushed inside the chapel door
You were waiting all alone
You turned around and heard me call

Congratulations
I thought it would have been me
Standing here with you
Congratulations
I hope you're happy
'Cause as long as I can breathe
You'll always be the one for me

Why was I the last to know
I thought that we were special
My soul shakes, my heart breaks
As I turn and walk away
I can't believe it's over
We really never said goodbye
Thought we'd give it one more try
Felt our love was here to stay
And now today's your wedding day

Congratulations
I thought it would have been me
Standing here with you
Congratulations
I hope you're happy
'Cause as long as I can breathe
You'll always be the one for me

Congratulations baby
I thought it should have been me
But as long as I can breathe
You'll always be the one for me
'Cause as long as I can breathe
You'll always be the one for me

Congratulations
