Keep it real  
I know that something is wrong with you  
I am too impatient  
To wait for something new  
Why can't I say what I need you to hear  
Find it hard to dream  
I know that you are here  
You are here

You'll be there to  
Laugh your head off when I fall  
I will go  
With them to look for something more  
Subject to change will you identify  
Look at me close you'll see that I can't smile,  
I can't smile

I can't smile  
I can't smile  
I can't smile  
I can't smile  
I can't smile  
I can't smile  
I can't smile  
I can't smile

Now smile  
Beg your pardon?  
'scuse me?  
Smile  
Why?  
Just do it  
I'm afraid I can't smile without a reason  
I'm sorry I can't smile without a reason  
Smile  
What's there to smile about?  
Just do it  
Why?

Think your so good with your toking  
Fuck your smoking  
That's not what it's all about
