Just close your eyes
And speak
Say what we both
Know is inside you

If you want I'll keep
So much
Bury Deep

Wake up it's gone
What ma de you fall away ?
What came undone?
What made you fall away?

We were so true
We were pure

You saw how my heart
Was full of hurt
I held you to
Stop breaking down around me

I tried , I was weak
Just close your eyes and speak

Wake up it's gone
What ma de you fall away ?
What came undone?
What made you fall away?

Feelings I keep
Bury so deep
You feel from me
You feel from me

You breathed so deep
You loved so deep

I built
All these walls

To keep you

To keep you
To keep you
To keep you
