Hide away
Keep safe
Put your hands
On your eyes
They won't mind
They're scared
You will be fine

I hear you
Whisper
I'll be home soon

Fake with open arms

Rests inside of you
You should see the harm
They can do to you
If we stay too long
Being led to sleep
I wanted you to touch
I wanted you to see

They'll never find you
Through your hands
I tried to give you
All I can

Because I'm quiet
You think I'm weak
But all my secrets
Belong to me

Fake with open arms

They'll never find you
Through your hands
I tried to give you
All I can

Because I'm quiet
You think I'm weak
But all my secrets

Belong to me
