Go if you wanna go  
Stay if you wanna stay  
I didn't care if you hung around me  
I didn't care if you went away

Knew you were never right  
I'll admit I was never wrong  
I could never make up my mind  
I made it up as I went along

Though I treated you like a child  
I'm gonna miss you for the rest of my life, ha

All I need is a miracle, all I need is you  
All I need is a miracle, all I need is you  
All I need is a miracle, all I need is you

Never had any time  
And I never had any call  
But I went out of my way just to hurt you  
The one I shouldn't hurt at all

Thought I was being cool  
Yeah, I thought I was being strong  
But it's always the same old story  
You never know what you've got 'til it's gone

If I ever catch up with you  
I'm gonna love you for the rest of my life, ha

All I need is a miracle, all I need is you  
All I need is a miracle, all I need is you  
All I need is a miracle, all I need is you

Ever catch up with you  
Gonna love you for the rest of your life, ha

All I need is a miracle, all I need is you  
All I need is a miracle, all I need is you  
All I need is a miracle, all I need is you

All I need, all I need, all I need is a miracle  
All I need is a miracle, all I need, yeah

All I need is a miracle, all I need is you  
All I need is a miracle, all I need is you  
All I need is a miracle, all I need is you

All I need, all I need is a miracle  
All I need, all I need is a miracle  
All I need is a miracle, all I need, yeah, is you
