Laying in dirt for something you say you get hurt

Fuck around though, probably with some old school

How bad you hit him up god?

You he's ghost and shit?

Chorus

Yo it's a body in the trunk son

So what's it gonna be

A nigga layin dead cause he came for me  
Yo it's a body in the trunk son  
So what's it gonna be  
A nigga layin dead cause he came for me

### Verse 2

(Noreaga)

I had the Queens hoodie on wit the blood on my sleeve  
Gave that nigga one offer he could take or he leave  
But it's a body in the trunk son it's getting scary  
What if police pull us over and smell that corpse?  
Yo send it, go in the trunk light an incense  
Spray the lysol all over the car  
I know you wasn't dead then but you're hear now paul  
Yo it happened like an hour or two  
I showered wit boo  
Wasted a little time  
Didn't want to disturb you

(Nas)

For some reason yo I couldn't sleep  
Yo slept with my heat  
Yo you think you in some movie shit son?  
I think you're losing it  
Pop the trunk who's the kid?  
You really had to buck him?  
You couldn't just snuff him?  
Yo he had to lose his wig?  
Fuck you bring him here for?  
What you think I could do?  
Somebody could've followed you  
Fuck it nigga I'll ride wit you  
Some real niggas gonna do what we gotta do  
Slide in this wip and we out  
Empty the clip in his mouth fuck it  
That's how we move in this game  
Rulin this game  
Niggas stayin true to this game

### Chorus

(Noreaga)

Yo it's a body in the trunk son  
So what's it gonna be  
A nigga layin dead cause he came for me

A nigga layin dead cause he came for me

Without no noise  
My niggas ain't tryin to alert no boys
