Mike and the Mechanics - Going Home.... Home

Going going home  
I hold a memory  
I can't let go  
Going going home  
Going going home

You're long ago  
And far away  
But I can still remember you

Going, going home  
I've got a memory that  
I can't let go  
And I know I won't be alone  
I'm goin' home

The ones I love will all be there  
And I can see their smiling faces

Oh I'm giving in  
It's like living in a war  
It can't be right  
And I can't fight this world  
No more

I don't care where this highway goes

Going going home  
I know I won't be alone  
I'm going  
I'm going home

I know you'll always wait for me  
And now I'm going back to you

Oh I'm giving in  
It's like living in a war  
It can't be right  
And I can't fight this world

No more  
I don't care where this highway goes
