Do you wanna dance  
Do really wanna  
Take another chance  
Are you strong enough  
To hold love in your hands  
Just to watch it fall away  
Do you wanna scream  
Falling in the fire  
Burning to extreme  
Count the pieces  
Of another broken dream  
Try to put it back again  
I don't do love  
I don't do anything  
I'm not chasing after someone's heart  
But I'm not strong  
When you are next to me  
I feel I'm getting closer  
Feel I'm going back to start  
I don't do love  
I don't do dreams  
I can't do hope  
All those things  
I won't do pain  
I won't do tears  
I can't get close  
All those years  
Do you wanna dance  
Do you really wanna take a lovers chance  
Watch another memory  
Slipping through your hand  
While you slowly walk away  
Do you wanna scream  
Feel the hope and pain  
And everything between  
Another lover  
Never saying what they mean  
Never meaning what they say  
I don't do love  
I don't do anything  
I'm not chasing after someone's heart  
But I'm not strong

When you are next to me  
I feel I'm getting closer  
I feel I'm going back to start  
I don't do love  
I don't do dreams  
I don't do hope  
All those things  
I won't do pain  
I won't do tears  
I can't get close  
All those years  
Do you wanna dance  
Do you really wanna dance  
Do you wanna dance  
Do you really wanna dance  
Do you wanna dance
