Looking back over my shoulder
I can see that look in your eyes
I never dreamed it could be over
I never wanted to say good bye

Looking back over my shoulder
With an aching deep in my heart
I wish we were starting over
Oh, instead of drifting apart

Everybody told me you were leaving
Funny I should be the last to know
Baby please tell me that I'm dreaming
I just never wat to let you go

Looking back over my shoulder
I can see that look in your eyes
Tearing my heart over and over
I never wanted to say goodbye

I don't mind everybody laughing
But it's enough to make a grown man cry
Cause I can feel it slipping through my fingers
I don't even know the reason why

whistle

Every day it's a losing battle
Just to smile and hold my head up high
Could it be that we belong together
?
Baby, won't you give me one more try
