

Mike & The Mechanics

"Nobody Knows"

Visit "[Nobody Knows](#)" on MotoLyrics.com

There is nothing wrong with me
There's nothing wrong with you
Maybe we're just blind to see
Each other's point of view

Nobody knows what we had
Nobody knows what we had

You could do much better
You could do much worse than me
I could have walked right out on you
There was nothing stopping me

Nobody knows what we had
Oh, nobody knows what we had

We were running out of passion, we were running out
of time
There's a face to fit the future, there's a face to fit the
crime
Now the truth is on the table and the ghost is plain to
see
There's nothing wrong with you or me, hey

Oh, nobody knows what we had
Nobody knows what we had

I won't live in your world
You can't live in mine
We don't hate each other darlin'
We just gave up trying

And nobody knows what we had
Nobody knows what we had
And nobody knows

We were running out of passion, we were running out
of time
There's a face to fit the future, there's a face to fit the
crime
Now the truth is on the table and the ghost is plain to
see

There's nothing wrong with you or me, yeah

Maybe I'm not crying
Maybe I don't mind
But it hurts just knowing
That your children won't be mine

Nobody knows what we had
Nobody knows what we had

Maybe I don't mind
(Nobody knows what we had)
Maybe I'm not crying
(Nobody knows what we had)
'Cause nobody knows what we had
(Nobody knows what we had)
And nothing wrong, wrong with you
