Open your eyes  
Tell me, what's on your mind?  
Don't try to hide  
Baby, what's wrong

You never lie  
But you don't know what to say  
Now, I look in your eyes  
I can see it's all gone

Stop baby, you don't understand  
And I said, stop baby, you don't know what you're  
doing  
And I said, stop baby, you're breaking my heart  
And I said, stop baby, think it over again  
And I said, stop

Where will you go?  
Where will you stay tonight?  
Is there someone you know?  
Are you sure you're alright?

I never cry  
I never could show the pain  
But I won't survive  
Now it's all gone

Stop baby, you don't understand  
And I said, stop baby, you don't know what you're  
doing  
And I said, stop baby, you're breaking my heart  
And I said, stop baby, think it over again  
And I said, stop
