Take it inn in, taken in again  
Wrapped around the finger of some fair-weather friend  
Caught up in the promises, left out in the end  
No pride, taken for a ride  
You say I'm the only one when I look in your eyes  
I want to believe you but you know how to lie

And if you say you understand I don't believe it  
And when you reach out for my hand I don't believe it  
And if you say you take the blame I don't believe it  
And if say that nothing's changed I don't believe it,  
don't believe it

Taken in, taken in again  
Someone saw me coming, a fool without a friend  
There's one born every minute and you're looking at  
him

And if you say you want me near I don't believe it  
And when you're holding back the tears I don't believe  
it  
And when you swear that you are mine I don't believe it  
And it's your heart that's on the line I don't believe it,  
don't believe it

Taken in, taken in again  
Wrapped around the finger of some fair-weather friend  
Caught up in the promises, left out in the end  
No pride, taken for a ride  
You say I'm the only one when I look in your eyes  
I'd love to believe you but you know how to lie

You say you want me near I don't believe it  
And when you're holding back the tears I don't believe  
it  
Oh, there's one born every minute, you're looking at  
him

Taken in, taken in again  
Someone saw me coming, a fool without a friend  
I want to believe you, oh

When you say you understand  
When you reach out for my hand  
Oh, I wish I could believe you  
Taken in, taken in again
