I'm a man, don't you forget it  
I'm not a little kid  
Understand, you might regret it  
Treating me the way you did

Hey, old man, shut your mouth and listen  
This here's the new regime  
I command, you could go missin'  
You could be off the scene

(I'm not here to pray)  
I'm not here to pray  
(So papa don't say)  
So papa don't say, I'm not ready  
'Cause the hands feel so steady  
Take the reins

We got a team, we got the muscle  
When things are getting tight  
Will there seem, if there's a hustle?  
Money changes every fight

Look at me, you will discover  
I'm not my father's son  
You will see, when you recover  
I'm mama's only one

(Look straight in my eye)  
Look me in the eye  
(Try to deny)  
Try to deny, I'm not ready  
But these hands feel so sturdy  
Oh, take the reins

(I'm sure in your game)  
I know that in your game  
(You were okay)  
You were okay, that's behind us  
Oh, Louise, is it vengeless?  
Oh, take the reins

I'm a man, I'm not a little kid

Why, I understand  
Shut your mouth and listen  
Ah, and don't work out a new regime

Yeah, I got a team  
Yeah, take the reins  
I'm mama's only one  
Ah, take the reins
