And the road gets brighter  
And the load gets lighter  
And it's so much better  
Better every step we take together  
Ooh look where we've come  
Looking back who'd of thought  
We could do what we've done  
We still got  
So much to carry  
So far to go  
(Still got)  
So much to learn  
So much we don't know  
Maybe we'll stumble, maybe we'll fall, but  
We got each other to hold  
And the road gets brighter  
And the load gets lighter  
And it's so much better  
Better every step we take together  
And the life tastes sweeter  
And the love runs deeper  
And it's so much better  
Every step we take together  
Let's take our time  
And the way that we're going  
It's gonna be fine  
We still got  
So much to carry  
So far to go  
(Still got)  
So much to learn  
So much we don't know  
Maybe we'll stumble, maybe we'll fall, but  
We got each other to hold  
And the road gets brighter  
And the load gets lighter  
And it's so much better  
Better every step we take together  
And life tastes sweeter  
And the love runs deeper  
And it's so much better  
Better every step we take together
