

Mike & The Mechanics "The Way You Look at Me"

Visit "[The Way You Look at Me](#)" on MotoLyrics.com

Softly you told me what I already knew
No doubt in my mind, no doubt it was true
The tenderness we had and the love we used to share
Have long since disappeared if ever really there

Torn by the pleasure and the pain of loving you
I'm so confused, I don't know what to do
Just when I'm sayin' the need for you is gone
That's when I realize the feeling's just as strong

Somethin' in the way you look at me
Somethin' that you just can't hide
Somethin' in the way you look at me
Oh, could never be denied

Nothin' I can do to change it
Nothin' I can even try
Somethin' in the way you look at me
Darlin' I don't know, I don't know why

Too long it's been easy to carry on this way
When the words that really hurt are the ones that we
don't say
Hard to believe we had a love so strong
And I just can't accept that it could go so wrong

Try to explain, I don't know if I can
What will it take to make you understand?

Somethin' in the way you look at me
Somethin' that you just can't hide
Somethin' in the way you look at me
Oh, just can not be denied

Nothin' I can do to change it
Nothin' I can even try
Somethin' in the way you look at me
Darlin' I don't know, I don't know why

Oh, I'm losin' you, oh
Yeah , I made up my life baby
I don't know why

I don't know why

Somethin' in the way you look at me
Somethin' that you just can't hide
Somethin' in the way you look at me
Oh, just can not be denied

Nothin' you can do to change it
Nothin' you can even try
Somethin' in the way you look at me
Darlin', I don't know why

Somethin' in the way you look at me
Somethin' I just can't explain
Somethin' in the way you look at me
And I know, I've got to try, try again

Nothin' you can do to change it
Nothin' I can even try
Somethin' in the way you look at me
Darlin' I don't know, I don't know why
Ohh, I don't know, know why
